

1883 — 1985

This map has been
Compiled from the
Homestead Records
of the Department
of Agriculture from
1883 and the tax
records of the
municipality from
1910 to 1983.

We are sorry for
any mistakes made
in the spelling of
names. We recorded
renters that we knew
of but there are
many more that were
missed. We hope this
information will
bring back memories.
